

## JOBS Technical Support to Sabalamby on EDBM TOT Course

### Business Report

Job Opportunities and Business Support (JOBS), the project funded by USAID Bangladesh and implemented by the IRIS centre at the University of Maryland conducted a 7-day long training course on Entrepreneurship Development and Business Management (EDBM) for the 15 participants of Sabalamby Unnayan Samity (SUS) in Netrokona recently.

This is a capacity building effort of JOBS Project was launched under the Business Development Services (BDS) approach in collaboration with Sabalamby Unnayan Samity (SUS) with an aim to develop a resource base for the organisa-

This resource base will si-

multaneously be capable enough to conduct the EDBM training course for the grassroots level entrepreneurs and monitor the progress of the enterprise management on its way to achieve the cherished goal.

JOBS training team facilitated the specially designed course considering the felt need of its staff and are involved in monitoring and supervision of the non-literate and semi literate grassroots entrepreneur of Sabalamby Unnayan Samity (SUS).

The course was highly interactive and participatory due to the utilisation of the action learning & participatory tools, methods and pictorials the participants shared their ideas-views and enjoyed a lot with enthusiasm.
