

JOBS training on business management held

A TRAINING course on 'entrepreneurship development and business management' organised by the Sabalamby Unnayan Samity for its members was held in Netrokona recently, says a press release.

The Job Opportunities and Business Support, funded by USAID Bangladesh, conducted the seven-day training.

The course dealt with market survey, business selection, business planning, business management, marketing management and accounts keeping management.

This is a capacity-building effort of JOBS under the Business Development Services approach in collaboration with Sabalamby Unnayan Samity.

SM Shahidullah, manager training of JOBS USAID Project, distributes certificates among the participants in a training course.
